Indywell Health Policy — Policy Wordings

UIN: UGHHLIP23001V012223

This document is the wording of your health insurance policy. Please read it carefully together with your policy schedule. In the event of any conflict between this wording and your policy schedule, the policy schedule shall prevail for that policy year.

This is a sample/illustrative policy wording prepared for demonstration purposes. Clause numbering and structure follow the format commonly used in Indian health insurance policies regulated by the Insurance Regulatory and Development Authority of India (IRDAI).

Section 1: Definitions

1.1 "Pre-Existing Disease" means any condition, ailment, injury or disease that is/are diagnosed by a physician within 48 months prior to the effective date of the policy issued by the insurer, or for which medical advice or treatment was recommended by, or received from, a physician within 48 months prior to the effective date of the policy or its reinstatement.

1.2 "Waiting Period" means a period from the inception of this policy during which specified diseases/treatments are not covered. On completion of the period, diseases/treatments shall be covered provided the policy has been continuously renewed without a break.

1.3 "Continuous Coverage" means the period for which the insured person has been continuously covered without a break under any health insurance policy with the insurer, or where the insured person has ported from another insurer, the period of coverage with the prior insurer, as recognised under portability regulations.

1.4 "Material Fact" means all facts that the insurer needs to know to assess the risk being covered, including but not limited to pre-existing illness, age, occupation, and lifestyle habits that have been declared in the proposal form.

1.5 "Sum Insured" means the pre-defined limit specified in the policy schedule,

which is the maximum amount of cover payable in respect of an insured person during a policy year.

1.6 "Grievance Redressal Officer" ("GRO") means the officer designated by the insurer to resolve grievances raised by policyholders, as required under IRDAI (Protection of Policyholders' Interests) Regulations.

Section 2: Scope of Cover

2.1 Subject to the terms, conditions, exclusions and waiting periods of this policy, the insurer shall indemnify medical expenses incurred by the insured person for hospitalisation, during the policy period, for a disease or injury, up to the sum insured specified in the policy schedule.

2.2 Cover under this policy is subject to continuous renewal and payment of premium. Any break in the policy shall result in loss of continuity benefits including waived waiting periods, unless a grace period of 30 days is availed as per Section 7.

Section 4: Waiting Periods

4.1 Pre-existing Diseases. Expenses related to the treatment of a pre-existing disease (as defined in Clause 1.1) and its direct complications shall be excluded until the expiry of 48 months of continuous coverage after the date of inception of the first policy with the insurer. This exclusion is further described in Excl01 of Section 8.

4.2 First 30-day Waiting Period. Expenses related to the treatment of any illness within 30 days from the first policy commencement date shall be excluded, except claims arising due to an accident, provided the same are covered elsewhere in the policy. This exclusion shall not apply for subsequent renewals without a break. This exclusion is further described in Excl02 of Section 8.

4.3 Specified Disease/Procedure Waiting Period. Expenses related to the treatment of listed conditions, surgeries, or treatments (including cataract, benign prostatic hypertrophy, hernia, and joint replacement surgery) shall be excluded until the expiry of 24 months of continuous coverage after the date of inception of the first policy with the insurer. This exclusion is further described in Excl03 of Section 8.

4.4 Waiver on Portability. Where the insured person has ported from a prior health insurance policy with another insurer without a break, the time already spent under the equivalent waiting periods of the prior policy shall be credited towards the waiting periods under this policy, subject to the sum insured under the prior policy.

Section 6: Disclosure and Non-Disclosure

6.1 The proposer and insured person(s) are required to make a full and complete disclosure of all material facts in the proposal form, including any pre-existing disease or condition diagnosed, or for which medical advice or treatment was received, prior to the effective date of the policy.

6.2 If a claim is made and it is found that the insured person had, prior to the effective date of the first policy with the insurer, a condition that was known to the insured person and was not disclosed in the proposal form, the insurer may repudiate the claim and/or the policy on grounds of non-disclosure of a material fact.

6.3 For the avoidance of doubt, a condition first diagnosed, or for which medical advice was first sought, on or after the effective date of the policy does not constitute non-disclosure under this Section, and shall instead be assessed as a new illness subject to the applicable waiting periods under Section 4.

Section 8: Standard Exclusions

The following standard exclusions (Excl01 to Excl19) apply across this policy, in the standard form prescribed for health insurance products in India.

Excl01 — Pre-Existing Diseases

Expenses related to the treatment of a pre-existing disease (PED) and its direct complications shall be excluded until the expiry of 48 months of continuous coverage after the date of inception of the first policy with the insurer. Once the policy has been continuously renewed without a break for 48 months, this exclusion shall cease to apply. In case of enhancement of sum insured, the exclusion shall apply afresh to the extent of the sum insured increase.

Excl02 — First 30-Day Waiting Period

Expenses related to the treatment of any illness within 30 days from the first

policy commencement date shall be excluded, except claims arising due to an accident, provided the same are covered. This exclusion shall not, however, apply if the insured person has continuity benefits from a prior health insurance policy.

Excl03 — Specified Disease/Procedure Waiting Period

Expenses related to the treatment of the following listed conditions, surgeries or treatments shall be excluded until the expiry of 24 months of continuous coverage after the date of inception of the first policy with the insurer: cataract, benign prostatic hypertrophy, hernia of all types, hydrocele, joint replacement surgery (unless due to accident), and fistula/fissure in ano.

Excl08 — Cosmetic or Plastic Surgery

Expenses for cosmetic or plastic surgery or any treatment to change appearance unless for reconstruction following an accident, burn(s) or cancer, or as part of medically necessary treatment to remove a direct and immediate health risk to the insured person. For this to be considered a medical necessity, it must be certified by the attending medical practitioner. Cosmetic surgery undertaken for aesthetic purposes, including but not limited to rhinoplasty not necessitated by injury, is excluded in all circumstances under this policy.

Excl09 — Hazardous or Adventure Sports

Expenses related to any treatment necessitated due to participation as a professional in hazardous or adventure sports, including but not limited to para-jumping, rock climbing, mountaineering, rafting, motor racing, horse racing or scuba diving.

Excl12 — Unproven Treatments

Expenses related to any unproven treatment, services and supplies for or in connection with any treatment. Unproven treatments are treatments, procedures or supplies that lack significant medical documentation to support their effectiveness.

Section 10: Claims Procedure and Grievance Redressal

10.1 In the event of a claim being repudiated, the insured person may, within 15 days of receipt of the repudiation letter, submit additional information or documents the insured person believes are relevant for reconsideration.

10.2 If dissatisfied with the insurer's decision, the insured person may lodge a written grievance with the insurer's Grievance Redressal Officer (GRO), whose contact details are provided in the policy schedule and on the insurer's website.

10.3 If the grievance is not resolved to the insured person's satisfaction, or no response is received within 14 days, the insured person may approach the Insurance Regulatory and Development Authority of India (IRDAI) through the Bima Bharosa portal, or the Insurance Ombudsman having jurisdiction, as per applicable regulations.
